## What is the Transportation Program?

With today's transportation costs on the rise, it's no wonder people face difficulty with obtaining and maintaining affordable, reliable transportation.

This program is especially important here in Lewis County, as our county is entirely rural in nature, with limited public transportation to assist with travel to and from work.

Lewis County Opportunities would like to help by providing assistance with:

- ◆ Vehicle Repairs
- ◆ Insurance Payments
- ◆ Tires
- ◆ Gas Cards
- ◆ Other transportation related expenses

## Eligibility Requirements:

1. Resident of Lewis County
2. Employed on a regular basis.
3. Willing to meet with a Program Worker to create a budget, and if enrolled, identify strengths and goals.

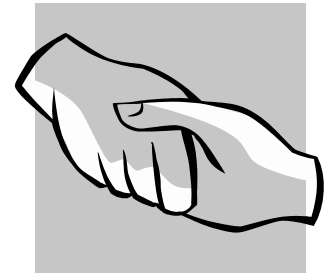

## Income Eligibility Guidelines:

Family Size	Gross Income	
	Monthly	Annual
1	\$1,961.67	\$23,540
2	\$2,655	\$31,860
3	\$3,348.33	\$40,180
4	\$4,041.67	\$48,500
5	\$4,735	\$56,820
6	\$5,428.33	\$65,140

**Add \$693.33/month or \$8,320 annually for each additional family member.**

## How do I apply?

- ◆ Call Opportunities' and ask for a Transportation application packet. (Contact information on front of this brochure.)
- ◆ Fill out all documents in the application packet and return to program worker.
- ◆ Your application will be reviewed, and if eligible, an appointment will be made.

**Program assistance will depend on funding availability.**
